

Endangered and Indigenous Courses

Our team works closely with speakers of Endangered and Indigenous languages to build courses that provide native-speaker context and cultural awareness, using Mango's award-winning methodology.

As a sign of our commitment to preserving Endangered and Indigenous languages, our full selection of these courses are available for free to everyone. This allows native speakers to connect to and honor their heritage, and helps enthusiastic learners gain a better appreciation of the culture.

Endangered

Did you know?

According to [UNESCO](#), nearly half of the world's estimated 7000 languages will likely cease to be spoken in the next hundred years.

The United Nations General Assembly dedicated 2019 as **International Year of Indigenous Languages (IYIL)**, raising awareness for the world's disappearing Indigenous languages.
